Eden Brook Care

Trusted providers of comprehensive non-medical home care services for the elderly and individuals looking for specialized care.

We refer highly screened committed Care Givers who provide companionship, homemaking, and personal care in the comfort of your own home.

About Eden Brook Care

Saying good-bye to familiar surroundings, and the comfort and security of home, isn't always necessary. Our services are designed for practically any living arrangement where an elderly individual can manage their personal care, but need companionship, human interaction and help with day-to-day activities.

We believe that home-based care is extremely beneficial because it is provided in familiar surroundings. Eden Brook Care was established as a personal response to this growing need. It takes special people with a combination of personal dedication and high standards of professionalism to provide that care. Truly speaking, it really is "our people who make the difference."

Our Goal

Eden Brook Care is dedicated to enhancing independent lifestyles. Our goal is to provide the "right" care provider to best meet the client's need for emotional care and support and to help individuals remain independent and at home as long as possible.

Our Recognition

We realize the increasing emphasis placed on family members to be the primary Care Giver, and the long-term effects this may have on the well being of both the family and the Care Giver.

Eden Brook Care provides reliable, welcome respite to many family Care Givers, so they can take time for themselves.
